

Ready Golf Monthly Programme – Full T&C's

There will be one 60 minute lesson, one 30 minute lesson and one 60 minute practice session in each calendar month. Lessons or practice sessions cannot be carried over to following months. Lesson structure will depend on individual coaching needs and will run in line with a practice plan tailored to the needs of each student. The student is responsible for booking both lessons and the practice session each calendar month using the Calendly booking platform. All lessons must be at Ready Golf. Students will need to provide a working email address to access the Skillest app. Payment will be made by standing order. The notice period to cancel your Monthly Programme is 4 weeks and it cannot be transferred to another person. If you cancel your monthly programme, your access to the Skillest app will also be cancelled.
